

QUEST-IS'25

QUANTUM ENGINEERING SCIENCES &
TECHNOLOGIES FOR INDUSTRY & SERVICE

1st to 4th December – EDF R&D Paris Saclay

From Quantum Engineering to Applications for Citizens

EXHIBITION FORM

WELCOME TO QUEST-IS 2025

QUEST-IS 2025, 1st International Quantum Engineering conference and exhibition will gather many companies in the quantic ecosystem from various countries. It gives thus ways to technical matters as quantum computing, algorithms and simulation, quantum sensors, quantum communications, crypto and internet, including enabling technologies, and obviously Quantum Engineering targeting Applications for Citizens.

This multidisciplinary event place lets attendees from various backgrounds discuss technical challenges of applied quantum technologies and business opportunities with each other.

Why being an exhibitor in QUEST-IS 2025

The QUEST-IS 2025 exhibition is the opportunity for the exhibitors to show their products and know-how, including some advanced technological demonstrations; for the local bodies to invite regional companies involved in the quantum technologies and engineering; for everybody to start profitable contacts.

This international event will bring together approximately 250 participants: directors, managers, heads of department, engineers, researchers and PhD students. An exceptional line-up of guests and speakers will be present for the occasion.

The exhibition area will be located nearby the conference rooms, within the round-shaped place where the coffee breaks and lunches will take place.
